

EMBROIDERY

10-Needle Home Embroidery Machine

InnovaChrome™ LED thread color system

- LED lights under each spool indicate the closest thread color, and correlate to the thread colors on the LCD display screen. Now even brighter, with more uniform color than before.

Advanced Super View (ASV) HD LCD touch screen display by Sharp® Corporation

- 16.7+ MILLION possible colors with little or no color shifting. Enhanced viewing angle of 176 degrees. New adjustment feature allows you to change the brightness of the screen.

InnovEye® Technology and Snowman® Embroidery Positioning Marker

- It's like having a built-in camera above the needle for precise positioning of designs.

Automatic needle threading

- Thread each needle in seconds with the press of a button.

Eyelet threading system

- Maintain consistent tension on all 10 threads, virtually eliminating thread tangling.

Large embroidery area of 8" x 14"

- Includes four embroidery frames: 1.5" x 2", 4" x 4", 5" x 7" and 8" x 14".

Built-in embroidery designs and fonts

- 110 built-in embroidery designs; 28 size-adjustable embroidery lettering fonts, including children's, handwritten and connected script fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles.

Included extra-large work table

- Provides a stable support system for frames and heavy items.

Optional Upgrade Kit* (PRPUGK1) Upgrade your Entrepreneur® Pro PR1000 or PR1000e with our latest software features:

- Scan virtually anything in your frame with InnovEye® technology
- Change design color palette with Color Shuffling™ Function
- On-screen Auto Density Adjustment when designs are resized
- Design connection for alignment of repetitive designs
- 10 new designs, and 2 new fonts

Overview

Take a closer look at the revolutionary Entrepreneur® Pro PR1000e, a 10-needle home embroidery machine with all the great features of our popular 6-needle home embroidery machine, plus additional features and functions that deliver professional quality results. The PR1000e raises the bar in embroidery for hobbyists,

crafters and home-based entrepreneurs. Finish most multi-color designs faster, easier, and with greater precision than with most single or 6-needle machines. Create professional results on a wide range of items with logos, monograms and more. Let the PR1000e inspire you to create designs you've only dreamed of before!

The PR1000e comes equipped with some of the most powerful design and editing capabilities ever built into a multi-needle embroidery machine. Just when you think you've reached the limits of creative freedom, look again – the PR1000e likely has more to offer.
